TO LEAD OR BE LED?

Wanting you the way I do
I only want to be with you
And I would go
To the ends of the earth
'Cause darling
To me that's what you're worth

Where you lead, I will follow
Anywhere that you tell me to
If you need, you need me to be with you
I will follow where you lead

Can we be bothered?

• Too difficult to agree anything?
• Too much to follow?
• Too busy to care?
